

Connect Space

STUDY ABROAD

Who We Are

Connect Space - Study Abroad is a global agency that provides free career counseling, admission assistance, and advice to students who wish to pursue higher education abroad at all entry levels.

We believe that education is a fundamental right and everyone should have access to quality higher education.

We Are Bridging The Gap

Connect Space – Study Abroad is serving as a bridge for prospective students who are in quest of a more challenging educational ladder by endeavoring a higher and further education at different colleges and/or universities in **Australia, New Zealand, USA, UK, Canada, Ireland, European countries, China, Dubai, Asia, India, Turkey,** and some other countries.

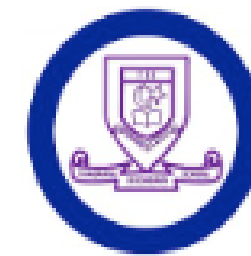

We Are At Your Service!

We work in the best interest of both students and our partner universities and colleges. In addition to the professional code of conduct, we observe ethical, moral, and personal values to maintain high standards in our work.

Our Partners

Our Mission

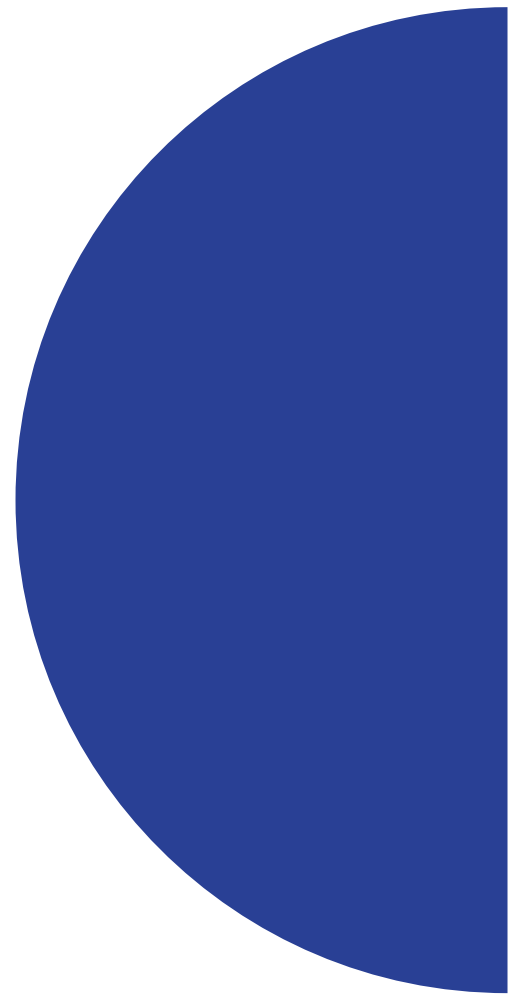

To be recognized as the most trusted international educational consulting company in Lake Zone providing a single roof platform for students to get all desired services; broadening and enhancing their knowledge and skills of professionalism with higher education in this globally competitive era.

Our Vision

To promote all-round development of student's abilities and personalities, and empower their potential while maintaining a high standard of professionalism, performance, and quality to establish exemplary excellence in higher education.

Our Goal

To be the No. 1 choice to students for higher education abroad.

Our Values

Honesty, Integrity, and Objectivity

Open Communication and Transparency

Professional Skills and Due Care

Confidentiality and Professional Behavior

Inclusiveness, Impartiality, and Respect

Consideration, Empathy and Inspiration

Our Objectives

Maintain a high level of standard in compliance with the regulatory framework of the Government of Tanzania, fostering a win-win business relationship with Education Providers and serving the prospective students with high level of professionalism.

Guide prospective students to find the right avenues for International Degree and have outstanding exposure in the global job market. Similarly, contribute the nation by creating employment and revenue generation by running the Education Consultancy Enterprise.

Maintain quality standards by compliance with quality services to students and education provider.

Our Objectives

To give relevant, accurate and comprehensive information and advice from our personal and organizational skill after getting student's personal profile, preference, objective and background.

Maintain consistency for fair and strict application of rules, impartiality and fairness in decision for ethical guidance.

Understand the socio-economic backgrounds of the student who may have different preferences regarding the balance between course and quality.

Make sure to meet all the contractual obligations with the education institution, particularly in relation to marketing, recruitment and information given to the students.

Our Promotional Activities and Plans

Our Promotional Activities and Plans

We conduct abroad study seminar at our venue frequently which helps us to reach large market area and the clients.

We conduct educational seminars and workshops for spot admission purposes to enable the students to enjoy free documentation and other benefits.

We distribute flyers and prospectus to make you aware of our program

We advertise on various online media, news portals, google, Facebook, Instagram etc.

We get students from words of mouth of our previous applicants who went to study abroad plus of course the help of parents.

We organize and or participate in the Educational Fairs and Events.

We organize other strategies and champagnes depending on the market scenario and situations and we believe on student follow-up.

“ Education is the passport to the future as tomorrow belongs to those who prepare for it today.
